Camp Philosophy & Staff

Our staff brings many years of coaching experience as competitive gymnasts in high school, college and Junior Olympic programs, all with the common goal of helping you to develop your skills. Our first and foremost goal is for you to have a lot of fun, learn new skills and meet new people. We will evaluate each student to make sure they are placed with a group where they can progress and feel comfortable. We want each of our campers to go away with some new skills and progressions to help them ultimately learn the skills they need to reach their goals.
